Response To Notice to File Missing Parts

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

Submitted with this response are the following;

- a. PTO-1533, Part 2,
- b. A signed Verified Statement claiming small entity that was filed with this patent application on November 1, 1999.

Having received a Notice to File Missing Parts, dated December 15, 1999.

In the Notice, the Patent Office contends that the following additional fees are due for the filing of the patent application, as the Applicant is a non-small entity;

- a. \$380 to complete the basic filing fee,
- b. \$216 for 9 dependent claims over 20.

At the time of the filing of this application, Applicant submitted a signed Verified Statement Claiming Small Entity. The statement was signed by Mr. Ned Hoffman.

REMARKS

As the Small Entity statement was properly submitted to the Patent Office at the time of filing of the application, the applicant's fee calculation was correct and no additional fee is due. Additionally, if such fee was due, the Transmittal Letter submitted with the filing of this application, Section 9, authorized the Commissioner to charge any additional fees to Applicant's deposit account. Therefore, no Notice to File Missing Parts should have issued for this application.

Applicant, therefore, requests that the Notice to File Missing Parts be withdrawn and that neither any additional fees be due for the filing of this application, nor any extension of time fee be due for responding to this File Missing Parts.
